b A perusal of the diaries of Mrs. Gourlay will show that the kind of work that he does does not justify a salary as now proposed of £4/5/- a week with Travelling Expenses. I doubt very much if we have ever obtained full value for the £3/- a week part this we have paid. Such a costly employee is not needed just to bring in the information that such and such a firm has knifed the duty in the price with Subscription and will keep from us when they are next in the market in any case but now with the Standard Tube Co Ltd I doubt very much whether such an assistant to T.C. is needed at all. I should think that the T.C. could easily do all that Mrs. Gourlay has been doing by the using of the phone. The term of Mrs. Gourlay need not be extended.

2) In this case, the Expr is certainly of an avoidable character. There is no direct relation between increased sale in Sandal oil and this gentleman's appointment. On the other hand ~~for the work he did~~ in spite of his appointment so long Sandal oil sales are going downwards. In another connection, the Indn Comr has proposed Commission to an agent who brings in Cust Store business - If the continuance of the appointment and that too at a higher rate of remuneration (4£ 5s against 3 £ per week in the past) is in the present financial condition not financially acceptable - If Even such Expr is not Turned down, there will be no likelihood of the deficit being wiped out and ~~if we are content about the wiping off the~~ the prospect of wiping out the deficit and getting a balanced budget will become more & more remote -

The Secretary to the Government of
H.H. the Maharaja of Mysore.
Developments Department.
Bangalore.

Dear Sir:

Referring to Government Order No. D.5966/T.C.-9-31-4 dated 5th August, 1932, sanctioning the continuance of the appointment of Mr. Murty on the staff of this office up to the end of December, 1932. on his present pay of £3.0.0. per week, I beg to state that as I have already reported to Government, it is very necessary to continue this officer on the staff of this office.

2 The critical situation in regard to the Sandalwood Oil trade renders it very necessary that an officer of his type should be constantly in touch with our chief consumers. Apart from the Sandalwood Oil work, Mr. Murty is employed on a variety of different work too numerous to mention. I have forwarded a copy of his diary to the Director of Industries with my letter of the 14th October, 1932, which will give an indication of the work on which this officer is continuously employed. I beg to state that it is desirable to give this officer fixity of tenure and not limit his appointment for any specific period. There is no need to treat his appointment as permanent, but he may continue on the staff on the same tenure as the other officials employed here. When he was appointed on a pay of £3. 0.0. per week, he was only engaged for part time. His services are required whole time, and I beg to strongly recommend that he may be given a salary

of £4. 5. 0 per week, plus his usual travelling allowances.

3 I am making this proposal to Government with the approval of the Dewan who has full knowledge of the work this officer is doing. In view of the fact that his present salary is totally inadequate, I propose to start this officer on a salary of £4. 5. 0d per week to take effect from January 1st, 1938.

4 I have been able to obtain a substantial reduction in rent owing to the depression in trade, and I expect that the net savings on account of rent will amount to about £120 per annum. I, therefore, hope to be able to meet the full salary of this officer by re-appropriation of the grant already sanctioned to this office in the budget of the current year. If however, I should find it necessary to approach Government for an additional grant, I shall address you about the end of March next year.

5 I request you to obtain the sanction of Government for the continuance of the appointment of Mr. Murty, and to give him the salary proposed by me and communicate their orders at an early date.

Yours faithfully,

C Rangaraja Rao Saheb

Trade Commissioner for
Mysore in London.

Dear Sir:

I beg to invite your reference to my letter dated 30th December, 1932, requesting the approval of Government for the continuance of the appointment of Mr. Murty on the staff of this office with effect from 1st January, 1933, and the payment to him of a salary of £4. 5. Od per week with effect from that date.

I have already stated that this salary has been paid to Mr. Murty with effect from 1st January 1933, with the informal approval of the Dewan conveyed during the occasion of his last visit to London.

I request the very early orders of Government on this matter in order to enable me to submit without delay my revised budget estimates for the current year, as also the budget estimates for the year 1933-34.

Yours faithfully,

C. Ranganatha Rao Sahib
